Post Graduation Membership Form

On this special graduation day, we are calling on you to stay connected with AMI and sign up now to renew your membership.

Enjoy the mounting number of benefits that AMI membership brings with it: In-house educational publications and newsletters, pre-publicity and early bird offers at congresses and refreshers; discounts, national and international contacts and alumni activities, to name but a few.

AMI graduates are a stronghold in the Montessori community, putting Montessori education in the spotlight and making a difference to the lives of children; by engaging together we can meet the challenges of the future.

Individual Membership

I wish to become an individual AMI member. I will settle the dues through the AMI head office (Euro 40/per 12 months) and receive my membership card and publications from head office: just click www.montessori-ami.org/members/member2.htm to renew online.
