## **ELEMENTARY (6-12) ASSISTANTS COURSE**

Ms. Madhavi Gaddam is the first Auxiliary Trainer in India, for the Elementary Level. She holds the Association Montessori Internationale (AMI) 3-6 and 6-12 Diplomas. She has a vast experience working with children at the elementary level and currently runs her school, Medha Montessori in Hyderabad.

This is the First Time Ever that an Elementary Montessori Assistants Course is being conducted in Mumbai and is a great opportunity to understand the elementary child.

The course is open to parents, teachers, grandparents, psychologists and anyone who is interested in understanding the child.

**RTI Montessori Training**

Come, understand the characteristics of the child in the age group of 6 - 12 years.

The course will cover the aspects of this developmental plane and allow an insight into how one can best support the development of this child.

Students will receive a certificate from Association Montessori Internationale (AMI), The Netherlands.

After successful completion of the course, the Certificate Holder will be qualified to assist in an Elementary Classroom.
